EXTERNAL STORAGE

USB4 to M.2 PCIe NVMe SSD Aluminium Enclosure

- High-performance cooling with built-in fan
- Experience hyper-fast data transfers with USB4 40 Gbps connectivity
- Supports various M.2 PCIe NVMe SSD sizes, including 42mm(2242), 60mm(2260) and 80mm(2280)
- Connect seamlessly across platforms, including Windows, macOS, iOS, Android and Linux
- Reliable and efficient connections with included flexible ProSlim cable
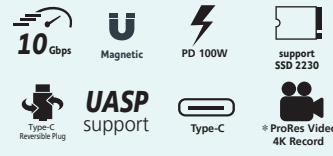

Product Code: AK-ENU4M2-01

40 Gbps | USB 4 | Type-C Reversible Plug | UASP support

PCIe SSD | Type-C | Premium Aluminium

Magnetic 10Gbps M.2 2230 PCIe NVMe SSD Aluminium Enclosure

- Effortlessly attach and detach to your phone or other devices with magnetic precision
- Experience turbo speed data transfer of up to 10 Gbps
- Optimised for 2230 NVMe SSDs
- Protect your data from unexpected power loss with built-in supercapacitor
- Durable and sleek all-aluminum design
- Fast and efficient 100W power delivery
- Capture high-definition content directly (only for iPhone 15, 16 Pro / Pro Max*)

Product Code: AK-ENU3M2-08

10 Gbps | Magnetic | PD 100W | support SSD 2230

Type-C Reversible Plug | UASP support | Type-C | *ProRes Video 4K Record
